

Mehdi Asadli

Software Developer

PERSONAL INFORMATION

I am a Front-end Software Developer with over a year of experience in React JS development. My passion for algorithms and computer science drives me to continuously learn and grow my skills. I am a quick learner who is always looking for ways to gain more experience and knowledge. As a strong team player, I thrive in collaborative environments and enjoy working with others to create impactful solutions. With a positive attitude and a commitment to excellence, I am excited to take on new challenges and contribute to the success of your team.

WORK EXPERIENCE

Azericard

Software Developer May 2022 - Current
